**Faculty of Technology Management
and Technopreneurship**

The Faculty of Technology Management and Technopreneurship (FPTT), UTeM aims for student success. We strive to provide our students with the education they need, not only to find a job upon graduation but also to have a successful in their long term career. Our faculty's formula for success is to offer students with the current highest level of development in business knowledge combined with the specific skills needed for their respective majors which are Technology Management and Technopreneurship. We are very fortunate to have a dedicated and talented faculty members and staff who are accessible to students and committed to their success.

Foreword **BY THE DEAN**

In addition, our courses taught by the faculty members are designed to meet the needs of employers. The students are also equipped with knowledge and skills which will prepare them for their future career.

With the aim of contributing greatly to humanity's prosperity in the next years, our faculty educates future Technopreneurs who are ready and potential to make a difference in the world. Now, more than ever the world needs business leaders who can build great companies, generate new jobs, produce valued goods & services, stimulate innovation and tackle common social challenges. Realizing that the powerful role of business and business leaders can play in contributing to the prosperity of society, we have deliberately emphasized both rivals. On the matter of competence, we are equipping our graduates with a broader value creation for society as competencies.

We value a strong lecturer-student relationship and faculty members work very closely with students to facilitate their learning needs. To our students and graduates, the faculty is the place where their vision and commitment to the field of Technology Management and Technopreneurship education are inspired and cultivated. We are proud with the accomplishments of our faculty, staff and students who are very enthusiastic about the faculty's vision.

Thank you.

Introduction to

FACULTY OF TECHNOLOGY MANAGEMENT AND TECHNOPRENEURSHIP

Universiti Teknikal Malaysia Melaka (UTeM), which was incorporated in December 2000, is the 14th Institution of Higher Learning (IHL) in Malaysia. The Faculty of Technology Management & Technopreneurship (FPTT) was established on 19th March 2009 and has since started its operations at the City Campus, in the heart of the World Heritage City of Historic Melaka.

FPTT has indeed created history for being the sixth faculty to offer programmes at Bachelor Degree level in UTeM. With its establishment, the faculty integrates a technology and business approach in enhancing the knowledge and skills of human capital. The FPTT curriculum was developed to address issues and challenges in managing the force of globalization, rapid pace of technological changes, market and competition, product complexity, pressure of production cost, highcost and risk of research and development, government regulations and market diversity.

Thus, FPTT plays a vital role in creating professionals at technology-oriented companies, employees at large firms, founders of start-ups with knowledge in the areas of technology management and technopreneurship. By diversifying the courses into both functional and practice-based, graduates will be competent with the skills in technical marketing, managing technical human resources, managing innovation, leadership and communication.

Table 1: Grading System Schedule

ACADEMIC ACHIEVEMENT

Grade Point Average Calculation

Grade Point Average (GPA) is a grade point average earned by a student in a semester. It is calculated as below:

$$\text{Total Grade Point (TGP)} = k_1m_1 + k_2m_2 + \dots + k_nm_n$$

$$\text{Total Calculated Credit (TCC)} = k_1 + k_2 + \dots + k_n$$

$$\text{Grade Point Average (GPA)} = \frac{\text{Total Grade Point}}{\text{Total Calculated Credit}}$$

where

k = Credit hours for subject

m = Grade points earned for subject

n = Number of subjects registered in the semester

Cumulative Grade Point Average Calculation

Cumulative Grade Point Average (CGPA) is a grade point average earned by a student inclusive all semesters he/she registers. It is calculated as below:

$$\text{CGPA} = \frac{(TGP)_1 + (TGP)_2 + \dots + (TGP)_n}{(TCC)_1 + (TCC)_2 + \dots + (TCC)_n}$$

where

TGP = Total grade point earned in semester

TCC = Total calculated credit in semester

n = Total semester registered

ACADEMIC STATUS

The academic status of each student is determined by the examination results obtained at the end of every semester. The status is categorized as:

ACADEMIC STATUS	CGPA
Good Standing/Kedudukan Baik (KB)	$\text{CGPA} \geq 2.00$
Conditional Status/Kedudukan Bersyarat (KS)	$1.70 \leq \text{CGPA} < 2.00$
Fail/Kedudukan Gagal (KG)	$\text{CGPA} < 1.70$

PROGRAM OVERVIEW

BTMI is a program that develops individuals who can manage R&D and innovation activities in any organization. Besides being an intelligent staff, the graduate will be able to seek opportunities from R&D activities and innovate it to become a successful business.

To realize this, students will be taught subjects related to management, technology, and technopreneurship with greater focus on innovation knowledge.

Strategic Innovation Management, Technology Transfer, Technology Planning and Forecasting, Intellectual Property Management and Commercialization, Quality Management, Management of Change and Project management are the core subjects for this program.

CAREER PROSPECT

Graduates of BTMI can be employed as middle managers in any organizations such as R&D, technical business, and management consultancy. More importantly, they could be self-employed, start their own businesses equipped with knowledge on seeking opportunities and turning it into a successful venture.
